BRIEFING FOR PRESIDENT'S FOREIGN INTELLIGENCE
ADVISORY BOARD (PFIAB) (U)

Reference is made to your memorandum to the National Foreign Intelligence Board principals, captioned as above, dated May 3, 1982, NFIB-6.1/22. (U)

The FBI has no comment regarding Items 1 and 2 in referenced memorandum. In response to Item 3, the following information is submitted: (U)

FBI representatives have conducted briefings of PFIAB members on February 9, 1982, and March 10, 1982. In summary, these briefings presented an overview of the FBI's Foreign Counterintelligence (FCI) Program, the nature and extent of hostile service activities within the United States, and a discussion of FBI programs in effect to combat this hostile threat. (S)

The Board was provided statistics regarding the total presence of hostile services in the United States, to include the number of officials, establishments and students. The Board was briefed concerning FBI efforts against individuals of counterintelligence interest who entered the United States as emigres, refugees and under various exchange and commercial programs. Also provided were details concerning the FBI's efforts to counter hostile service acquisition of scientific and technological information within the United States. (S)

During these briefings, the Board was furnished information concerning the FBI's major counterintelligence objectives, our internal FCI organization and structure, our FCI guidelines, the Foreign Intelligence Surveillance Act, and procedures which require coordination with other member agencies of the Intelligence Community (IC). The Board was advised that the FBI enjoys an excellent working relationship with IC organizations at all levels. (S)
